ABOUT ME

I am a dedicated and motivated student pursuing a Bachelor of Engineering in Computer Science at Chitkara University. With a strong foundation in mathematics and problem-solving from my Non-Medical background, I am passionate about coding, technology, and building innovative solutions. I aim to enhance my skills in software development, AI, and IoT, while contributing to impactful projects.

EDUCATION

2024-2028
Chitkara University, Rajpura

Bachelors of Engineering in Computer Science

- Studying core computer science subjects such as Data Structures, Algorithms, Operating Systems, and Database Management.
